Cherokee Christian Academy 2011 RECREATIONAL BASKETBALL

Dear Parents,

We are looking forward to another season of CCS basketball!!! We hope you will join us this year. The following are some bullet points that may help in making your decision:

- Our primary goal for this program is to teach the students how to properly play the game in a Christian atmosphere.
- We will focus on fundamentals (passing, shooting, dribbling, rebounding, playing defense and team offense) and each student will get personal focus in practice and playing time in games.
- Our Season will run from the week of 2/28 to 3/28. The actual days and times will be determined once registration is complete.
- While we have always allowed siblings to participate, we are now opening the program up to 'friends of CCS' as well. If you know of any families with children who would like to participate please have them contact me.
- We're aiming for a maximum team size of 8 players to best maximize learning and playing opportunities.
- We will practice 1 day a week, and play a game 1 day a week. As mentioned above, the exact days for practice and times will be determined after registration is complete.
- Fees for the program are \$60. These fees help with the uniforms, balls, and trophies. The fee is \$40 if you have a uniform from a previous CCS season. If you know of someone who wants to play but the fee would keep them from participating, please have them contact me because we do have some scholarships available.
- Please do everything you can to return your registration by the deadline. It is imperative for us to get sign-ups as quickly as possible in order to place uniform orders. Sign-ups will close 2/11/2010.
- Sports Physicals – We no longer require a sports physical for your child to participate in recreational sports.

Presently, we are looking for coaches and assistants to work with the kids as well as a Basketball Program Coordinator that can help with the administrative duties associated with the league. If you are willing to help fill these needs, please contact Christine Mamon for additional details.

Thank you in advance for considering being a part of our team this year!!! If you have any questions please feel free to contact me at the email address below!

God Bless,

Christine Mamon
