-All grammar and vocab from Spanish 1 is ESSENTIAL to your success in Spanish 2. The following is a brief overview of last year's material. Please spend some time this summer reviewing this material along with Vocab. **This packet is due the 1<sup>st</sup> day of school, please bring to class.**

### A. Definite & Indefinite Articles:

#### Definite Articles:

-All nouns in Spanish have a Definite Article. The ENGLISH translation of these definite articles is: **The**.

-Definite Articles have **Gender (Fem. / Masc.)** and **Number (Sing. / Pl.)** based on the noun.

	Singular	Plural
Masculine	<b>el</b>	<b>los</b>
Feminine	<b>la</b>	<b>las</b>

**Practice- Give the definite article for the following nouns.**

- |                 |                  |
|-----------------|------------------|
| 1. _____ libro  | 4. _____ abuelos |
| 2. _____ niña   | 5. _____ lápiz   |
| 3. _____ clases | 6. _____ sillas  |

#### Indefinite Articles:

• All nouns in Spanish have an Indefinite Article. The ENGLISH translation of these indefinite articles are: **A**, **AN**, and **Some**.

-Indefinite Articles have **Gender (Fem. / Masc.)** and **Number (Sing. / Pl.)** based on the noun.

	Singular	Plural
Masculine	<b>un</b>	<b>unos</b>
Feminine	<b>una</b>	<b>unas</b>

**\*\*\*Note: Nouns will ONLY use ONE article, either Definite or Indefinite, BUT NEVER BOTH.\*\*\***

**Practice- Give the Indefinite article for the following nouns.**

- |                   |                   |
|-------------------|-------------------|
| 1. _____ pizza    | 4. _____ hermanos |
| 2. _____ primos   | 5. _____ carro    |
| 3. _____ pantalon | 6. _____ sillón   |

### B. Adjective Agreement:

-Remember that all Nouns in Spanish have **Gender**. And because all nouns have gender, they need to match their adjectives. All adjectives must agree in 2 things with the nouns they describe:

1. Gender
2. Number

**Ex.**

The boy is tall.

El chico es alto.

The boys are tall.

Los chicos son altos.

## Practice- Write the following phrases using proper Adjective Agreement in Spanish.

1. The white dog \_\_\_\_\_
2. The brown cats \_\_\_\_\_
3. The blue book \_\_\_\_\_
4. The short girl \_\_\_\_\_
5. The big books \_\_\_\_\_

## C. Possessive Adjectives:

-These adjectives show **ownership** – who owns something.

My- mi (s)	Our- nuestro/a (s)*
Your - tu (s)	-----
His/ Her/ Its - su (s)	Their/ you all - su (s)

-All these adjectives must agree in Number with the noun that is owned

\* The adjective NUESTRO must also agree in Gender with the noun it owns.

Ex. My grandfather -> Mi abuelo      My grandparents -> Mis abuelos

## Practice- Give the correct possessive adjective for each noun.

- |                        |                         |
|------------------------|-------------------------|
| 1. _____ (my) hermana  | 5. _____ (their) dinero |
| 2. _____ (your) padres | 6. _____ (our) amigos   |
| 3. _____ (his) gato    | 7. _____ (my) clase     |
| 4. _____ (our) escuela | 8. _____ (her) plumas   |

-Possessive **De** is the equivalent to the English **'s**. We will NEVER use an **'s** in Spanish.

Remember that to show ownership you need: object + de + owner.

## Practice- Use the Possessive 'de' to show ownership.

1. The teacher's desk \_\_\_\_\_
2. The boy's dad \_\_\_\_\_
3. Maria's dog \_\_\_\_\_
4. Her mom's car \_\_\_\_\_

These verbs are also irregular because they only have two conjugations: they use the he/she or the they conjugation.

<b>-Me gusta (n)</b>	<b>-Nos gusta (n)</b>
<b>-Te gusta (n)</b>	-----
<b>-Le gusta (n)</b>	<b>-Les gusta (n)</b>

\*Note the (n) is added when the thing being 'liked' is plural.
