

Cherokee Christian Middle School

Student Supply List

2025-2026

Students at CCS will be expected to demonstrate organizational skills that are necessary for their success in Middle School and beyond. With that in mind, we have compiled a list of supplies that each student will need to have available for use in the school. **There may be additional items not included on this list that may need to be purchased for special projects such as scissors, colored pencils, markers, and glue sticks. (These items will be shared with the class.)**

***A planner will be provided for all Middle School students.**

General supplies

- ESV Bible
- Notebook paper
- Blue or black pens
- Pencils
- Red pens
- Pack of multi-colored highlighters
- Pencil pouch
- 3 x 5 cards (optional)

Bible	History	Math	English	Science
		Scientific calculator TI-30X (7 th and 8 th grades only)	Composition notebook or spiral notebook	Scientific calculator
1 inch binder shared with Latin and Electives	1 inch binder	1 inch binder	1 inch binder	1 inch binder
3 dividers	5 dividers	Graph paper 5 dividers	5 dividers	Graph paper
			3 x 5 cards 4 x 6 cards	3 x 5 cards

Recommended scientific calculator: TI-30X. Other scientific (non-graphing) calculators allowed as long as they include keys for pi, square roots and exponents, and trig functions.

Please note: The recommended calculator above is the model for which the teacher will provide help as needed. Since there is a great multitude of calculators, each with different key sequences and combinations, the teacher cannot be expected to provide support for all models. Therefore, students using allowed, but non-recommended calculators, will be on their own to figure out how to use them.

Students should not use graphing calculators in the math courses which specify scientific calculators.
