

CCS 2018-2019

Summer Reading List

It is important that students continue to read and learn during the summer months. A summer reading program provides a systematic way to accomplish this. It is also important for children to read quality literature. The Summer Reading Suggestion List provides recommended titles for each grade.

Entering 1st Graders: Any three books
2nd Graders: 100 – 150 pages
3rd Graders: 150 – 200 pages
4th Graders: 200 – 250 pages

Due the 1st Day of School:

Students (grades 1-4) should turn in to their teacher a 4 X 6 card for each book read, listing the author, title, number of pages read, a short summary, and a parent's signature. First graders do not need to write a summary.

The cards **MUST** be turned in on the 1st day of school.

Have a great time reading this summer!
