Elementary Summer Reading List

It is important that students continue to read and learn during the summer months. A summer reading program provides a systematic way to accomplish this. It is also important for children to read quality literature. The Summer Reading Suggestion List provides recommended titles for each grade.

Entering 1st Grade Students: Any three books
2nd Grade Students: 100 - 150 pages list titles of books
3rd Grade Students: 150 - 200 pages
4th Grade Students: 200 - 250 pages

Due the First Day of School:

Students in Grades 1-2 should turn in a paper with the titles of books read.

Students in Grades 3-4 should turn in to their teacher a 4 X 6 card for each book read, listing the author, title, number of pages read, and a parent's signature.

Students entering fourth grade must also write one summary of their favorite summer book.
