

## Requirements

Students not currently enrolled in Cherokee Christian High School that desire to participate in the athletic program may be granted permission by the administration on a case-by-case basis if all standards of eligibility are met.

1. All non-CCS players must be enrolled in a local school or home school program and will be required to furnish a copy of their report card and attendance record from their previous school year as well as quarterly throughout the sport season to ensure academic eligibility.
2. All non-CCS players will be held to the same high standard of excellence in academics, moral character and personal conduct as all CCS athletes. These standards are outlined in detail in the CCHS Parent/Student Handbook. Parents and students have read and agree to abide by all requirements in the CCHS Parent/Student Handbook.
3. The administration reserves the right to revoke athletic participation of any non-CCS student at their discretion. It is understood that participating in the athletic department at Cherokee Christian Schools is a *privilege*. This privilege may be forfeited by any student whose conduct, attitudes, or lack of progress, in the opinion of the administration, make it inadvisable for that student to remain on the team.
4. Participation must be approved for each sport and permission is granted on a season-by-season basis.
5. Parent must sign the Cherokee Christian School liability waiver.
6. Athletes must attain a sports physical signed by a medical doctor and a copy will be kept in the CCS office.
