

中文 Summer Packet 2022

Rising Chinese 2

唐老师

Name: \_\_\_\_\_

Dear Students (and Parents),

Congratulations on completing Chinese 1! This summer packet is NOT the same as the English and Math packets, as it is not mandatory. As you go about daily summer vacation lives, it seemed highly likely that some Chinese vocabulary would be forgotten. To encourage further use of your hard-earned language skills, I have written this short optional packet for students if they choose to complete it. If students complete the following exercises and return them to me the first week of school in August, they will receive extra credit to start their new school year. This is entirely up to those to wish to take advantage of this opportunity. Please feel free to email me over the summer if you have any questions at [Caitlin.Khan@cherokeechristian.org](mailto:Caitlin.Khan@cherokeechristian.org); I will be checking my email frequently over the summer break. Have a great summer!
